Dear Youth Directors,

It is that time of year again for the September RYPEN Camp and we are looking for your support. Rotary clubs all over the district have a strong link with RYPEN and without your efforts it would not be possible. If you don't already have an applicant in mind to take part in the camp, a great place to start is to contact secondary schools within your local area.

RYPEN for those new to Youth Director positions or Rotary, is a weekend camp based in Jarrahdale. Participants, aged between 14-17 years old are involved in a variety of workshops and activities that help to develop leadership, communication and goal setting. The cost of the 2 night camp is $285. As a sponsoring Rotary Club you will be providing an opportunity for a participant to be a part of this program.

The camp is fast approaching with just over 2 months and all applications need to be in by the 30th August. When you have an applicant can you please ensure the application sent to us either by post or email. Payment for your participant should also be made at this time and can be done either by cheque which can be posted along with the application or electronically. Further details on where to send the application and payment advice can be found in the attached application.

Should you have any further queries please do not hesitate to contact us.

Yours in Rotary,

Laura Cheetham
Secretary
RYPEN 2015
