2016 Important Dates

TUESDAY 26 JANUARY—AUSTRALIA DAY PUBLIC HOLIDAY

SCHOOL DEVELOPMENT DAYS—28/29 JANUARY All staff attend (Students do not attend).

FRIDAY 29 JANUARY
The school is open for enrolments, payments of Charges and Contributions, applications for Secondary Assistance Scheme and Officemax Order Collections.

MONDAY 1 FEBRUARY—DAY 1 FOR STUDENTS
From The Principal

As the school year comes to an end it is a good time to reflect on the past year. In our first year as an Independent Public School we established our School Board, developed a Business Plan supported by a Workforce Plan that recognised the changing needs of our students, and welcomed our first Year 7 students.

The School Board led by chair Mr Stephan Blyth, attended Independent Public School workshops to increase our understandings and knowledge of how the School Board supports the school to achieve its vision. It has been critical to have representation from parents, community, staff and students to ensure that the school is meeting the expectations of the broader community in providing a comprehensive education. A lot of time was spent in ensuring that our Terms of Reference, Board Meeting structure and participation in external meetings all supported an improved education for our students. Most importantly, as a school, we have listened to the community and developed improvement plans that better meet community expectation. Board Members have developed their understanding of these plans through presentations by Stephen Ralph the Project Manager and opportunities to become familiar with the content of the plans and how they link together. In everything that we do at Katanning Senior High School, our aim is to develop excellence in teaching, learning and leadership.

Wow! Look at our athletes go!

This year our students have had many opportunities to broaden their learning and understandings both within the classroom and within extra-curricular activities. Our values of respect, achievement, perseverance and tolerance are reinforced and celebrated. This term our athletes had an opportunity to compete with other schools within the Great Southern. At the recent Inter-Schools Athletics carnival, three of our students broke age level records with Caleb Keeley (pictured right) awarded Year 7 Boys Runner Up Champion. An outstanding effort by our students.

Is your child a talented artist?

Last week, many different artistic talents were on display at the opening of our Art Exhibition within the Katanning Library Art Gallery. As is often the case, the standard of work produced by our budding artists and photographers was well beyond that expected of school students.

I had the unenviable task of selecting the winner of the Principal’s Award and Commendation Awards. This was truly challenging however there can only be one main winner and that was Year 11 Photography student Putri Taylor with her black and white portrait.

Commendation Awards were awarded to Year 8 Millie Valenti for her watercolour depicting a bushfire scene and Year 11 Photography student Brittany Hanna for her sunset photograph.

If you have friends and family visiting over the summer you might like to take them to see the Art Exhibition which runs throughout January at the Katanning Library Art Gallery.

Do you have a performer in your family?

Last week, students in the Year 6-10 after school drama program, supported by the Katanning Dramatic Society, performed on two nights in the town square. This was a tremendous effort by these young actors who had the courage to perform within the local community and displayed talents not often on display within the school. Well done to Miss Watson for her support and encouragement of our students.

Student leadership on the rise

Once again our young student leaders were hard at work during the Year 7 Orientation Day supported by students in the Army Cadets and Bush Rangers, recently elected student leaders for 2016, and volunteers from Year 7. What is particularly pleasing are the numbers of students volunteering to step up into leadership roles and support fellow students.
Clontarf Academy has its impact!
Two weeks ago we celebrated the achievements of our Clontarf Academy students at an Awards night which was well attended by parents, family, staff and community members. Clontarf Director Brad Tomlinson and Assistant Willy Roe put together a fantastic evening of awards and a photographic capture of major Clontarf events throughout 2016. It was really pleasing to see the number of boys who had significantly improved their attendance since joining the Academy. They have also developed their leadership within the broader community, at Clontarf events and within the football clinics held at surrounding primary schools with Year 5 and 6 students.

We thank Shire of Katanning CEO Julian Murphy, Wes Bond from Great Southern Toyota, Denise Smid from Target Country and GSIT Campus Coordinator Rachael Coole for their support of this event.

Aspirations achieved by Follow the Dream Students
Last Friday night the achievements of our Follow the Dream students were celebrated with some outstanding results. A strong focus on improving grades and spending time after school on additional tutoring has enabled many of the regular participants to improve their academic performance, grades and attendance.

I thank all of our staff who provided opportunities for our students beyond the classroom in 2015.

Farewells
As in most years we farewell a range of staff from retirements to those seeking positions closer to the coast, a large city centre or family.

- Gardener Bill Page has retired to spend more time following the Dockers and working on his own garden! All the best to Bill.
- Stephen Ralph (HoLA Science) has won the HoLA Science position at John Tonkin College.
- Marissa Triplett (School Officer) has won the Business Manager role at Braeside Primary School.
- Irene Daly (Education Assistant) is moving to Perth with her family.
- Jacinta Wright (HPE) is off to John Tonkin College in Mandurah.
- Janelle Di Giovanni (HASS) has accepted a position at Busselton Senior High School.
- Zita Woczyk WPL Coordinator has won a position at Cecil Andrews Senior High School.
- Billie Zadow (School Psychologist) goes on Maternity Leave.
- Bernie Simpson (Relief Teacher) is moving to Bunbury with his family.

As the school year comes to an end, I thank the School Board, P&C, parents and local businesses for their support in 2015. Through our combined efforts, we will continue to improve as a school and meet the needs of the local community.

I wish everyone a safe, happy and relaxing summer break.

Ms Nicki Polding  
Principal
The local primary schools are to be thanked for their contribution to the transition program run here at Katanning Senior High School. We began in Week 6 with the Year 7 Team of Ms Jillian D’Souza, Ms Genevieve Hulin and Ms Israt Malek visiting the students at Katanning PS, Braeside PS and St Patrick’s PS. Mrs Julie Brown had the pleasure of visiting Nyabing PS and Tambellup PS. We observed students and saw some amazing lessons. We thank the Year 6 teachers for their generosity and welcome.

In Weeks 7 and 8 the larger primary schools brought their classes to visit us at the High School. The students participated in lessons in Design and Technology and Home Economics. The highlight of the day – The Gymnasium. The students completed their primary classes in an allocated room and interacted with the other students at break times. The students had the chance to become comfortable with the high school site.

In Week 9 we held Orientation Day and were joined by students from Gnowangerup DHS, Nyabing PS and Tambellup PS. The students had the opportunity to get a taste of a daily high school timetable. We ran a fun ‘Scavenger Hunt’ activity designed to locate people and places around the high school.

The Year 6 parents were invited to an Orientation meeting where they had the chance to meet the Principal and Deputy Principal, Student Services Team and the Aboriginal Education Team. After morning tea, parents were escorted on a tour of the school to see some of the places where their children will further their education in 2016.

The P&C president, Mr Scott Keast and Mrs Lynley Keely, P&C Canteen Coordinator spoke of the urgent need for volunteers in the canteen as kitchen staff or drivers to deliver the canteen orders to the Primary Schools. Our Student Leaders and Cadets spoke about their activities and the opportunities offered to students such as attending camps and learning life skills. Students can join Cadets from the year they turn 13.

We are so looking forward to welcoming the New Year 7 students in 2016 and hope that students and parents alike feel comfortable about the transition. Have a restful holiday and we will see you all in February.

FESTIVE FUN

Students of Home-Economics are well and truly into the spirit of this festive season. Various classes had fun making ‘Swirled Biscuits’ and some students had the challenge of constructing gingerbread houses.

We had a range of designs from big houses to lots of little gingerbread houses decorated with lollies. Students also completed a variety of gifts including embroidery cushions, festive stockings and Christmas tree decorations.

KOJONUP CRICKET CARNIVAL

On Friday 4 December Mr David Gardiner and Miss Sarah Watson took two teams consisting of 19 students to Kojonup to participate in a cricket tournament. The other schools involved in the tournament were Kojonup, Boddington and Jerramungup District High Schools.

The first Katanning team consisted of Zac McAndrew, Gilbert Leach, Liam Garlick, Tanisha Fraser, Makaela Knapp, Tyson Evans, Daniel Steer, Deklan Georgy and James Cronin. The second Katanning team consisted of Josh Pinney, Ryan Wintle, Mitchell Dewar, Chelsea Butterworth, Phoebe O’Neill, Georgia Keast, Ratu Taylor, Bronte Garlick, Devan Mills-Durack and Corey Sellars.

The Katanning 1 team finished at the top of their pool having defeated Kojonup 1 and Boddington teams. This meant that they went straight through to the Preliminary Final. The Katanning 2 team finished second in their pool after beating Kojonup 2 and losing to Jerramungup, resulting in them playing Boddington in the Semi-Final. They won that game which meant that we had a Katanning vs Katanning Preliminary Final which Katanning 2 won. The Grand Final was played between Kojonup 1 vs Katanning 2 with Kojonup 1 to bat first. They came out firing and scored a massive 99 runs which Katanning couldn’t quite chase down, scoring 58 runs. Congratulations to the Kojonup team.

Both Katanning teams had the opportunity to showcase their cricket skills and excellent sportsmanship.

Team HPE
BUSH RANGERS CAMP

On the weekend of 27 to 29 November, the Bush Ranger Cadets went on camp to the Leschenault Peninsula near Australind. We visited the Dolphin Discovery Centre in Bunbury to learn about the dolphins that visit this area and the impact human activity can have on them. We also explored the nearby mangroves with a Marine Biologist and used sampling techniques to examine the mud for shrimp, fish, bivalves and snails. Afterwards we set up camp at the Belvidere campground which was a lovely location surrounded by bushland located between the inlet and the beach.

Over the weekend we spent time at the beach (body surfing), in the inlet (on our rafts, kayaks, paddle boats and stand up paddle boards), playing spotlight, geocaching and cooking over an open fire. It was a great weekend exploring beach, bush and river.

To finish off the year, the Bush Rangers are making rafts from recycled bottles and cartons to test on Lake Ewlyamartup. We look forward to lots more adventures in the natural environment next year and invite other interested students to join us.

ED SUPPORT NEWS

Last Tuesday was the opening of the GSIT Art Access art exhibition, “Unlimited Vision“. We took Lulu to see all of the artwork she’d created during the year. She was very excited and took great pleasure in showing everyone which pieces she had created. Lulu used various mediums such as charcoal, paint, pastels and clay to produce many varied works of art.

Room 23 held a morning tea for the staff last Thursday to say thank you to everyone who has helped us during the year. It was fabulous to see so many come and enjoy the spread the students had prepared. Many hours were spent making savoury and sweet delights and decorating the room.

Ms Sarah Taylor—Inclusive Learning EA

TIME TO PLAY

This semester a number of students in Years 6-10 were involved in an after school drama program, supported by the Katanning Dramatic Society. The original plan was to do a musical called ‘You’re History’ and the cast eagerly embraced their roles. Unfortunately our recruiting campaign fell short and even with tripling of some roles we didn’t have enough people. (We may try this play another year).

Instead we found three radio plays; ‘Prometheus the God (father),’ ‘A Riddle in the Dark; a Hobbit Adventure’ and ‘Sherlock Holmes and the Mystery of the Aquilla Diamond.’ These were performed on two nights in the town square in the style of radio plays with students reading their scripts and sound effects added from the side of the stage.

The students gave great performances and had a lot of fun. Well done to the cast and crew; Zara, Jayden, Jordyn, Arafie, Tanisha, Shakira, Blay, Erin, Adhilla, Shanniah, Ethan, Sarah, Hayden and Jayne. Thank you also to Lesley Balinski for her involvement and to everyone who supported the students.

Miss Sarah Watson
What a wonderful finish to an amazing year!
Last Friday, 11 December, students from Follow the Dream came together with their families to celebrate their achievements. We haven’t done too many trips this year thereby allowing the students to focus on their studies and they have done this with force.

Some amazing achievements by the students at Follow the Dream in 2015 are:
- All three Year 12 boys graduated with two Certificate IIs. Boyd completed Certificate II in Business as well as Sports and Recreation; Norman completed Certificates II in Civil Construction and Horticulture and Tyrone completed Certificate II in Horticulture and Sports and Recreation.
- Our highest attending FTD student completed 114.5 hours of tutoring.
- On average the 19 students had an attendance rate of 88% with the highest school attender achieving 99%, only missing one day for the year.
- The average number of after school sessions attended per student was 41.

Thank you to the friends and family who came along to support the students. A special thanks to CBH who sponsored three of the awards.

Term 4 started extremely busily with the Year 11 and 12 Clontarf students flying to the Gold Coast for their end of year trip. The boys had a great time travelling across to Toowoomba where we visited the newly opened Clontarf Academy.

Toowoomba people love Rugby League and barely play AFL football so we got the Katanning boys to run a football clinic for the students. This proved challenging for our boys because the students kept wanting to throw the ball. After the clinic the Toowoomba students challenged the boys to a game of Touch Rugby where Katanning ended up victorious!!! We also took the boys on a Cultural Kayak Tour where we paired up and kayaked along the river learning about the local indigenous tribes, hunting, gathering and finding fresh water near the beach. Unfortunately for myself and Willy, we spent a lot of time in the drink because Norman and Kyle were too busy trying to lie down in the kayaks instead of helping to paddle!!

On 2 December the Katanning Clontarf Academy held the annual Awards presentation to acknowledge and celebrate a fantastic year. It was great to see over 70 people attend this event to support and help celebrate with the boys. The night was extremely successful and we thank everyone who came along.

Well done to all our awards winners!

The Clontarf boys are currently working with Landcare along with an artist to design and create a sculpture which will be placed at Lake Ewlymartup. Five boys were taken out to the lake where they were educated on the history of the lake. The boys then returned to the Landcare office where they developed plans and met the artist via Skype. The boys advised the artist of what kind of sculpture they would like to see created. The following week the boys attended various sites searching and collecting metal for the sculpture. The sculpture should be completed early next year which is very exciting.

On behalf of Willy and the Clontarf boys I would like to thank everyone for their support this year and we are looking forward to an even better 2016. Make sure you have a merry Christmas and Happy New Year!!!!

BE FOOD SAFE OVER THE FESTIVE SEASON

During the summer months, higher temperatures cause bacteria to grow at a rapid rate in foods that are left out of the fridge.

Remember to take extra care when preparing, storing and handling food to avoid the risk of food poisoning this Christmas season and keep your family safe.

Food safety tips:

- Plan your shopping trip so perishable foods are purchased last.
- Store meat, dairy products and other perishable food in the fridge.
- Wash your hands thoroughly with soap and warm water before handling food and between handling raw and cooked foods.
- Clean utensils such as tongs, chopping boards and knives after use.
- Cover food to prevent contamination from dust and insects.
- Do not keep perishable foods out of the fridge for more than 2 hours.
- As a guide, do not store leftovers for more than 3 days.

Have a safe, relaxing and enjoyable festive season break and I look forward to seeing you all in 2016.

Understanding Family Separation
A Workshop for Children and Young People

This workshop has been developed to assist children to better understand their feelings and experiences of family separation.

During the workshop children learn:

- What family separation is
- Sometimes things change – but that can be OK
- Mum and Dad still love them
- Explore their feelings and express emotions
- Learn to consider who and what supports them.
