ABORIGINAL AND ISLANDER EDUCATION OFFICER
The role of the Aboriginal and Islander Education Officer (AIEO) is to encourage and support Aboriginal and Torres Strait Islander students. This may entail supporting students in career choices, parent/guardian visits, supporting students/parents/guardians during interviews, excursions, tutorials and promotion of cultural values associated with Aboriginal and Torres Strait Islander people. This staff member liaises between the teaching staff and families. This is essential in resolving areas of concern and providing culturally appropriate support.

ABORIGINAL EDUCATION TEAM
The Aboriginal Education Team (AET) consists of five parties — AIEO, ASSP, Clontarf, Deadly Sista Girlz and Follow the Dream. The AET provides pastoral care and educational programs to suit the students’ needs and together these programs exist to improve the social, emotional and educational outcomes for Aboriginal students, progressing the Closing the Gap targets for education.

ABORIGINAL STUDENT SUPPORT PROGRAM (ASSP)
ASSP plays a major role within the Aboriginal Education Team as the link between the pastoral care programs and education. It is open to all Aboriginal students but has an emphasis on students who are returning to or struggling to adjust to mainstream schooling. ASSP has a three pillar approach to student support; delivering explicit literacy and numeracy sessions, assisting students in completing their classwork and providing in class support to students and teachers. ASSP is partnered with Follow the Dream: Partnerships for Success and supports students to move into the program.

ABSENCE FROM SCHOOL
If a student is to be away from school through illness or other reasons please telephone the school on 9821 9800 or SMS the message to 0407 385 241. An automated SMS message will be sent to the parent/guardian’s mobile if an absence remains unexplained after 10.00am.

Under the Education Regulations the only acceptable reasons for absences from school are illness and medical or dental appointments which cannot be arranged outside school hours.

When returning to school after an absence, students must present an explanatory note to the Form Teacher, if prior contact has not been made by phone, SMS or email.

If an absence is likely to be lengthy, parents/guardians should contact the relevant Program Coordinator to negotiate the provision of school work.

ARMY CADETS
The Katanning 11/28 Cadet Unit meets once a week at the Army Unit in Beaufort Street. Cadets are an excellent way to gain leadership, confidence and commitment while parading, patrolling and adventure training. Cadets have the opportunity to attend camps, ANZAC Day ceremonies and a seven day camp during the first week of the October holidays.
ARRIVAL AT SCHOOL
Students should not arrive at school before 8.30am as supervision is not provided before this time. Classes commence at 8.55am. Students are expected to be punctual. When this is not possible, students arriving late for school must report to the Front Office to sign in and obtain a late note before going to class.

ART EXHIBITION
The Katanning Senior High School Art Exhibition is held at the Katanning Art Gallery in Term 4 biannually and is open to the public. This activity is coordinated by the Teacher-in-Charge of the Art Learning Area. High quality work produced by students from Years 7 – 12 is displayed. The Principal’s Art Prize and Commendation Award are awarded to students who display work at the exhibition.

ASSEMBLIES
School assemblies are held twice a term on selected days in the school gym. Parent/guardians are welcome to attend. The date and time is published in the school newsletter.

ASSESSMENT POLICY
Middle School (Year 7, 8 and 9): Assessments such as projects and assignments must be completed by the due date in order to avoid losing marks. Teachers will inform students about the penalties which apply for work submitted late. These may differ from one subject to another. Students should manage their time well so that they meet all assessment responsibilities as required.

Senior School (Year 10, 11 and 12): Student assessment guidelines are set by the School Curriculum Standard Authority (SCSA). Adherence to these parameters is mandatory. Course outlines and Assessment guidelines will be issued to students at the commencement of each course. All Senior School students will be given a copy of the Senior School Assessment Policy at the start of the year.

ATTENDANCE
Attendance at school is compulsory until a student completes Year 12 or turns 18, whichever occurs first. Regular attendance is critical for students to achieve optimal learning at school. Exemptions can be granted if the student has approved employment or training. Applications must be made through the Associate Principal and are submitted to the Regional Education Office.

AUSTRALIAN TERTIARY ADMISSION RANK (ATAR)
Students who would like to attend University once they have completed Year 11 and 12 are required to gain an ATAR score. This is normally achieved by completing a minimum of 4 ATAR courses and sitting the Western Australian Certificate of Education (WACE) Examinations. The combined school and exam results are used by the School Curriculum and Standards Authority (SCSA) to calculate a student’s ATAR score, which is used by the Universities to select students for their courses. Students who study ATAR courses in Year 12 are required to sit the relevant WACE examination.
**BEHAVIOUR MANAGEMENT POLICY**

The school’s Code of Conduct emphasises the rights and responsibilities of all members of the school community. The school rules are therefore expressed in terms of rights and responsibilities. The full policy document is available to parents/guardians on request. The policy rewards students who accept responsibility for their behaviour and has consequences for those who do not. Behavioural expectations and Code of Conduct are included in this document.

**BICYCLES, VEHICLES and PARKING**

Upon entering the school, bicycles are to be placed in the racks provided adjacent to the Home Economics building. This area is then out of bounds until students leave school.

Senior School students who want to bring their motor bike, scooter or car to school and to carry passengers must have permission from parents/guardians and apply to the Senior School Program Coordinator. Students wishing to have passenger rights with a student driver must similarly have parental/guardian permission. Appropriate forms can be obtained from the Front Office.

Senior School students require a permit to park on school grounds. A gravel car park with limited spaces is set aside for student parking off Golf Links Road. When full, students are to park off school grounds. Parking permit forms can be obtained from the Front Office.

**BREAKFAST CLUB**

The Breakfast Club is located in the room opposite Room 22. Opening days and times are advertised in the daily Crier.

**BUSES**

The bus service is an external service provided by School Bus Services. To register or enquire about this service contact www.schoolbuses.wa.gov.au. There are thirteen buses which bring students to and from Katanning Senior High School. Each bus has a copy of bus rules which the students must follow.

If you are already registered with School Bus Services and need to modify your details, you can do so via www.schoolbuses.wa.gov.au. The online ‘Change of Details’ form is used to modify the following information:

- Contact telephone number(s) or email address
- Alternative/emergency contact details
- Bank account details

You are required to complete a new Application for Transport Assistance if you are changing details relating to:

- Residential Address
- School (including when your child is moving from Primary to High School)
- Custodial issues/shared custody arrangements
- Medical conditions

School Bus Services will assess the application to determine if the change in circumstances has altered your entitlement, and what affect this may have on your travel assistance.

**BUSHFIRE ALERT**

If there is a Catastrophic Fire Danger Rating (FDR) for the Shire of Katanning, meaning that if a fire starts, it is likely to be uncontrollable, unpredictable and fast moving, this may result in closure of the school. The Department of Fire and Emergency Services (DFES) will monitor weather patterns to keep the Department of Education informed of any change.

You will be advised of any closure of KSHS and its reversal, by a note sent home with your child, or by SMS. You will receive an SMS to advise when the school will reopen, or remain closed.

The local media will have current information about fire danger ratings and notification of schools reopening. Staying tuned to ABC Local Radio is advisable, or you can check with DFES on 1300 657 209 or dfes.wa.gov.au.
**BUSH RANGERS**

Katanning Senior High School supports the Bush Ranger program, which is hosted by the Department of Parks and Wildlife. This program provides the opportunity to develop life skills in WA youth aged 13 to 17 years while undertaking environmental work. Bush Rangers is run by Miss Sarah Watson.

Bush Ranger Cadets meet weekly and conduct activities both within school and out and about in the great outdoors.

**CANTEEN**

Our canteen is externally owned and operated by the KSHS P & C Association. It offers students and staff a wide range of nutritious foods and drinks. A menu is sent home in the newsletter at the start of the school year and throughout the year, when required.

The canteen is open at morning recess and lunchtime. Lunches must be pre ordered prior to Period 1.

Your P&C, the Canteen Manager and volunteer helpers provide the canteen services. The canteen is a service to students and requires parent/guardian assistance in order to provide good service. If you are able to help and volunteer, any offer would be greatly appreciated. Please phone 9821 2937 and ask for the Canteen Manager.

**CLASS SELECTION FOR MIDDLE SCHOOL**

Students are placed into classes which provide a learning environment that will meet their individual needs. Student progress will be monitored and if required, a student may be moved to a different class at any time during the year.

**CLEARANCE FORMS**

Students leaving Katanning Senior High School are required to complete a clearance form to ensure they have returned all equipment and textbooks on loan. Forms are available from Front Office.
CLONTARF ACADEMY

The Clontarf Foundation exists to improve the education, discipline, self-esteem, life skills and employment prospects of young Aboriginal men and by doing so, equip them to participate more meaningfully in society.

The Katanning Clontarf Academy commenced their partnership with the school in August 2011. Any Aboriginal boy enrolled at the school is eligible to join the Academy.

The Academy focuses on six pillars of achievement – Education, Sport, Leadership, Wellbeing, Employment and Community. Full time Clontarf staff mentor, coach, support and motivate academy students to improve attendance, retention, Year 12 graduation/completion and employment outcomes.

A number of activities are conducted within and outside of school to engage the students including various sports, excursions, camps and volunteering.

COMMUNICATION

The relationship between the home and the school plays a very important part in a child’s education. Parents/guardians play a critical role in successful learning. They contribute much to their child’s development and are among the most important influences on the way in which the child approaches learning.

Teachers are responsible for the more formal aspects of a student’s learning, and successful teaching builds on the home experiences of the child. This is most effective where there is an active partnership with parents/guardians.

Two-way communication is a critical factor in the partnership between parents/guardians and the school. Where a partnership exists, it is easier for parents/guardians to feel confident about the teaching and learning that takes place in the classroom and to solve problems.

Parents/Guardians can access general information about the school in the following ways.

- School Newsletter - This is produced in Weeks 3, 6 and 9 each term and is emailed to parents and guardians who provide an email address. Copies are also available from Front Office or you can email the school to request a copy - Katanning.shs@education.wa.edu.au
- School website - www.katanningshs.wa.edu.au
- Schools Online - The address is http://www.det.wa.edu.au/schoolsonline/home.do
- Attendance at P&C Meetings - held at the school twice a term and advertised in the Newsletter.
- Attendance at School Board Meetings (unless a closed meeting) - held at school from 6.00pm 2-3 times per term. Dates of meetings are advertised in the Newsletter.
- Attendance at assemblies - Times are advertised in the Newsletter.

More specific information that applies to particular groups of students will be provided to parents/guardians via SMS, letter or at an organised meeting.

Students are provided with information via the daily notice (The Crier) which is read out in Form, PA announcements, assemblies or other meetings.
COUNTRY WEEK

Each year during the last week of Term 2, students from Years 10, 11 and 12 may have the opportunity to attend Country Week. Country Week is held in Perth and students compete against other country Senior High Schools in a number of different sports including, basketball, football, netball, hockey, volleyball, touch rugby, soccer, speech and debating.

It is the largest school sporting event in Australia, boasting the largest number of participants. The event is held at Challenge Stadium, the surrounding sporting grounds and Matthews Netball Centre.

Katanning SHS students stay in Perth and experience a variety of city activities during the week. Some of these could include Ten Pin Bowling, Movies, Bounce and Restaurant Dining.

Country Week is a life experience and much is gained from being involved. Students not only have the chance to represent their school and community but learn to be part of a team and gain valuable life skills.

To be eligible for Country Week, students must maintain ‘Good Standing’ for Semester 2, 2016 and Semester 1, 2017 and have an attendance of 90% or greater during Semester 1, 2017.

DEADLY SISTA GIRLZ

The Deadly Sista Girlz program, provided by the Wirrpanda Foundation, exists to improve the outcomes of Aboriginal girls by promoting strong role models and healthy life choices. It aims to empower young women by offering a safe, stable and trusting environment in which they can discuss current and personal issues and receive guidance from positive Aboriginal female role models. Each girl has the opportunity to be personally mentored throughout the program, which addresses issues of self-esteem, healthy relationships, sexual and women’s health, drug and alcohol abuse, healthy lifestyles and future directions and opportunities. All Aboriginal girls enrolled at the school are eligible for the program.

DENTAL SERVICE

The School Dental Service continues to provide free general and preventative dental care for all enrolled students up to Year 11. If you are not already enrolled, it’s not too late to enrol now. We would like students to be proud of their school and to identify with it, by wearing the school uniform. Parents/guardians are requested to send their child/children to school in the approved school clothing. The school would appreciate parental/guardian encouragement of our dress code and asks that parents/guardians closely supervise their child/children’s standard of appearance.

HOUSE SYSTEM
Students are placed into one of four houses. The houses are named after local sheep studs, Barloo (Blue), Condeena (Yellow), Glenroy (Green) and Strathglen (Red). The House system forms a basis for sporting competitions and carnivals. The objective of the system is to foster a feeling of belonging, and pride in being a Katanning Senior High School student.

INTERVIEWS – PARENTS/GUARDIANS/TEACHER
Parent/guardian teacher interviews are encouraged and parents/guardians should feel free to contact the school to arrange an appointment at a time convenient to all parties.

Katanning Senior High School is dedicated to working with parents/guardians in continuing to maintain high standards achieved by all students. For students in Year 10 and their parents/guardians, an Information Evening is held to assist help in decision making about their career pathways and course selection for Year 11.

LEAVING THE SCHOOL GROUNDS
Once students have arrived at school, they must remain within the school grounds. Should a student wish to leave the school for any reason, a note from a parent or guardian is required. The note is to be handed in at the Front Office. When leaving the school the student is required to sign out and will receive a Standard Leave Pass. If parents/guardians are picking students up they must sign the student out. Parents/guardians of students who are sick during the day will be contacted to request that they be collected from the school.

When students return after an appointment, they must sign in at the Front Office and will be given a late note to allow them to go back into class.

LIBRARY
The library is open at 8.30am each school day and at lunchtime for student use. It closes at 3.45pm.

LOST PROPERTY
Each year we accumulate many items of unclaimed property. To enable identification of unclaimed items, it is important that all clothing and equipment be clearly and permanently labeled with your child/children’s full name.

MEDICAL INFORMATION
Please update any changes to your child/children’s medical conditions through the Front Office. Students with a medical condition require a management plan form to be completed.

MOBILE TELEPHONES and PERSONAL DIGITAL MEDIA DEVICES
Mobile telephones and personal digital media devices are not to be used during school hours. Any urgent communication should be made through the school’s Front Office. The school takes no responsibility for the loss, theft or damage to mobile telephones or personal digital media devices that are brought to school or other school sponsored functions. Mobile phones or personal digital media devices may be confiscated by staff and whilst every care is taken following confiscation, the school takes no responsibility for loss, theft or damage of any device.

Digital devices including mobile phones confiscated from students at school may have their contents inspected by Administration staff if there is reason to believe that the contents may be inappropriate. If the contents is considered to be inappropriate, the device will only be returned to a parent/guardian. Further action (including suspension and notifying relevant authorities) may be taken by the school regarding inappropriate contents found on a digital device. It is a criminal offence to use a mobile phone and/or digital devices to menace, harass or offend another person.

Students or staff who do use mobile phones and/or digital devices to engage in personal attacks, harass another person, or post private information about another person, or who take/send/upload private photos, videos or objectionable material, SMS and phone calls; online, to social media sites and worldwide web, may find the matter referred to the Police.
NAIDOC
NAIDOC celebrations are held across Australia each year to celebrate the history, culture and achievements of Aboriginal and Torres Strait Islander peoples. NAIDOC stands for ‘National Aborigines and Islanders Day Observance Committee’. The school works closely with The Shire of Katanning, the three primary schools of Katanning and various other agencies to host NAIDOC week celebrations.

NURSE
A Community Nurse registered with the Nurses’ Board of WA is based at the school part time. The main focus of the nurse’s role is to encourage students to begin to take responsibility for their own health. Other services provided are health education, vision and hearing assessment on request and counselling. Parent/guardian interviews are welcome at any time by appointment.

The Health Service is not designed to provide care for sick students who should otherwise be at home. In the event of a student becoming sick or sustaining an injury whilst at school, we ask that you provide the school with information regarding a contact person(s) who will arrange for transport, care and treatment as required. Should it be necessary for an ambulance to be used, parents/guardians will be responsible for any costs.

OUT OF BOUNDS AREAS
For reasons of safety and supervision the school has some areas deemed as being out-of-bounds. It is very important that students avoid entering these areas. The out-of-bounds areas include both upper and lower car parks, around the gym and tennis courts, the area between the Trades Skills Centre and the Art and Graphics area, the area behind Rooms 9 to 11 and the area behind the Maths rooms.

Senior School students who drive vehicles to school may not use or visit vehicles during the school day, without staff approval. During breaks the Senior School quadrangle is for Senior School students only, and the Senior School toilets are for Senior School students only at all times. The lower car park, apart from the walkways areas, is out of bounds at all times during breaks and before and after school. The ovals are available for students to play sport during breaks, but are not to be used as eating areas.

PARENTS AND CITIZENS ASSOCIATION
The Parents & Citizens Association (P & C) is the parents/guardians’ organisation. It is an excellent way to keep informed of school activities, to learn about what is planned to improve educational outcomes, and to directly assist in developing the best educational facilities possible for our students.

The P & C are eager to welcome new members and all parents/guardians are invited to attend the Parents and Citizens’ Association meetings which are held each term. Meeting dates are advertised in the school newsletter. In past years the P & C has done much to assist the school with considerable financial donations. The P & C primarily provide the school Canteen services and organise the Year 11 and 12 School Ball. To enable the continuation of these vital services any assistance you may be able to provide would be extremely appreciated.

The P & C can be contacted via their Facebook page or by telephoning the school.

PHYSICAL EDUCATION
Physical Education is a compulsory subject in the Middle School curriculum and for Year 10 students. Medical reasons, religion or disability are the only acceptable grounds for exemption. A note from the parent/guardian to the Physical Education teacher should be provided if a student is unable to participate.

All students are expected to bring a change of clothes and appropriate footwear for Physical Education. Students are expected to change back into their school uniform before resuming classes.
POINTS OF CONTACT
The following information has been provided to assist parents/guardians in communicating with the school.

• Academic - Student Progress
  Communication with one teacher - Contact the Head of Learning Area who will arrange for the teacher to contact you.
  Communication with several teachers - Telephone the relevant Program Coordinator who can arrange individual or group appointments.

• Subject/Course/Class Enquiries - Contact the Associate Principal.

• Behaviour/Attendance/Social-emotional - Contact the relevant Program Coordinator who will discuss the issue or contact the staff member who can assist.

• Complaints - Parents/guardians are requested to approach the teacher first (via the HOLA) in order to address classroom concerns. Should the issue be unresolved, the Program Coordinator or Associate Principal must be consulted. If still unresolved, parents/guardians/students are advised to contact the Principal.

Concerns which relate to potential harm to a student should always be directed to a member of the Administration team (Program Coordinators, Associate Principal or Principal).

POSSESSIONS
Names must be clearly marked on all items of personal property including clothing and books. The school cannot be held responsible for goods which are lost or go missing from students’ bags. Do not bring valuable items to school. Mobile phones and personal music players are not permitted to be used at school.

PROGRAM COORDINATORS
A Program Coordinator is available to support students in both Middle School and Senior School. Their role is to help students to succeed at school by offering friendly advice and support.

PSYCHOLOGIST
A School Psychologist is generally available for two days each week for personal and educational counselling. The School Psychologist works in close contact with teachers, administration and the Student Services Team. If parents/guardians are concerned about their child they can make an appointment to see the Psychologist, or they can discuss the concern with the relevant Program Coordinator.

REFERENCES
Reference application forms are available from Front Office for students who leave school in Years 10, 11 or 12. It is school policy that only one reference is issued to students, with the exception of repeating Year 12 students.

REPORTING TO PARENTS
Student Reports are issued to students at the end of Semester 1 and 2 for all years.

SCHOOL BALL
This is a highlight of the Senior School calendar and is organised by the P & C and parents/guardians. The Ball is held during Term 1. Students in Year 11 and 12 ONLY may attend. Students who invite partners who are not students at the school must receive prior approval from the Principal. Students must have Good Standing and 90% attendance to be eligible to attend.

SCHOOL BOARD
The School Board consists of representatives from the student body, parents/guardians, staff and the wider community.

The Board has responsibility to:
• Establish and review the school’s objectives, priorities and policy directions.
• Engage in financial planning to support the above.
• Promote the school in the local community.
• Assist in formulating codes of conduct.
• Determine, in consultation with students, parents and staff a dress code for the students.
• Approve charges and contributions.

Board members are responsible for liaising with the groups they represent to ensure that decisions made at Board Meetings reflect their views.

SCHOOL COSTS / CHARGES AND CONTRIBUTIONS
Compulsory Charges and Voluntary Contributions support a wide range of courses available to students and enable quality instruction to be delivered. The school relies on Compulsory Charges and Voluntary Contributions paid by parents and guardians. Charges and Contributions paid by parents and guardians contribute solely to items used by students in their studies as per the School Education Act 1999.

Payment of School Charges and Contributions can be paid by the following methods:
• Cheque
• Cash
• EFTPOS (cheque, savings, credit card)
• EFT: The school bank account details are as follows:
  Account Name: Katanning Senior High School
  BSB Number: 306-014
  Account Number: 496740-9 (Bankwest Katanning)
  Reference: Student FULL name.

As financial assistance is available to those families in need, it is expected that all students will have the majority of their Compulsory Charges and Voluntary Contributions paid by the end of Term 1. Arrangements for time payment can be made in confidence with the school’s Corporate Services Manager should the need arise.
Middle School Charges and Contributions
The Government has set a maximum voluntary contribution of $235 for a general Middle School course. By paying this, parents/guardians assist the school in offering their children a more meaningful education by giving them the ability to use current edition textbooks, equipment and materials. In Middle School some subjects will be classed as extra cost options. These compulsory charges may take the cost above the $235 and if your child chooses one of these, at least 50% of the charge may be expected before school starts, with the balance before the end of Term 1.

Senior School Charges and Contributions
These are compulsory for all Senior School students. These funds are used to directly support student learning.

SPIRIT WEEK/DAY
The Student Leadership Group plans for Spirit Day with assistance from staff. The purpose of Spirit Day is to celebrate all that is fantastic about attending Katanning SHS and to bond students and staff through participation in a variety of fun activities. It is the culmination of a number of competitions and activities held throughout the week. On the day, Period 5 and 6 classes are suspended so that after lunch students can take part in activities. Students are requested to come in any outfit in the colour of the student’s house.

House colours are: Barloo – Blue, Condeena – Yellow, Glenroy – Green, Strathglen – Red.

STATIONERY SUPPLIES
Personal Items Lists are issued in December and parents/guardians may purchase items locally or online with the supplier. It is important that orders are placed with the supplier before the end of December to ensure that stationery supplies are delivered by the beginning of the school year.

STUDENT CONTACT INFORMATION
Twice a year, a Student Update Form is sent out to parents/guardians to ensure the school has the correct family contact details. It is vitally important that parents and guardians maintain their contact details throughout the year to ensure that they are able to be contacted at all times.
STUDENT LEADERSHIP GROUP
This is a student elected body consisting of a Head Boy and Head Girl, plus Year group representatives. Years 7, 8, 9 and 10 choose two leaders each, while Years 11 and 12 elect four students to represent them.

Student Leadership elections are held at different times:
- Year 7 elections are held in Term 1, 2017
- Year 8 elections are held in Term 1, 2017
- Year 9 & 10 elections are held at the end of 2016
- Year 11 elections are early in Term 1, 2017
- Year 12 leaders are elected at the end of 2016.

The election of Head Boy and Head Girl occurs in the later part of Term 3, 2016. The Student Leadership Group meets regularly and provides an opportunity for students to have an influence in student and school affairs.

STUDENT SERVICES SUPPORT
The Team includes Program Coordinators (Senior School and Middle School), the Aboriginal Education Team (AET) consisting of Aboriginal and Islander Education Officer (AIEO), Clontarf, Deadly Sista Girls, Follow the Dream, Psychologist, Chaplain and the Community Health Nurse.

During the camp, students visit the University of WA, Edith Cowan, Curtin, Murdoch and Notre Dame Universities, where student ambassadors and university personnel talk about the entry requirements as they pertain to each university, degrees and career pathways. The Year 12 students are also given a tour of residential colleges.

VISITORS TO THE SCHOOL
All visitors are to sign in at the Front Office and wear a visitor’s label when visiting the school. This is required as a duty of care towards our students.

VOCATIONAL EDUCATION TRAINING
The Senior School Program Coordinator is responsible for careers advice and is available to discuss future options for students with them and their parents/guardians. A significant number of courses and certificates offered at Katanning Senior High School are related to specific career pathways.

In 2017, Katanning Senior High School will work in partnership with the various RTOs (Registered Training Organisations) and, as such, will be able to present and assess material leading to a nationally recognised Certificate Qualification for students who successfully complete these qualifications. This would be recognised in a Statement of Attainment. Completion of these qualifications, combined with participation in the Workplace Learning Program in a vocational area, gives students a considerable knowledge and skills base.
