

KATANNING SENIOR HIGH SCHOOL

An Independent Public School

NEWSLETTER NO.3 25 MAY 2023

On Friday 19 May we thanked the Katanning Senior High School P & C for their unwavering support and dedication to our KSHS community. The contributions and efforts of the P&C are invaluable, and we are truly grateful for everything they do to help our students achieve a positive future.

BANK DETAILS TO MAKE PAYMENTS

You may prefer to pay school accounts and excursions costs through Direct Deposit. The school bank account details are as follows:

Bankwest Katanning

Account Name: Katanning Senior High School
BSB Number: 306-014
Account Number: 496740-9

Please ensure you add the student name to the payment details. The school also has EFTPOS and Credit Card payment facilities.

KATANNING SENIOR HIGH SCHOOL Golf Links Road Katanning WA 6317

Principal: Mr Innocent Chikwama
Deputy Principal: Mr Calvin D'Sylva
Deputy Principal: Ms Larissa Powell
Manager Corporate Services: Kara Flugge
Program Coordinator : Ms Felicia Martelli
Program Coordinator Student Services: Mr Frank Gaudin
Program Coordinator Student Services: Mir Graham Treloar

Website: www.katanningshs.wa.edu.au

FROM THE PRINCIPAL

Dear Families and Community Members,

The second term is well and truly underway for KSHS. Teachers and students are now in the serious business of teaching and learning. As I write, OLNA testing and Externally Set Tasks have just finished, and the examination season is upon us. I wish our students from Years 7 -12 the best of luck. I ask our students to take examinations seriously but understand that it is just one test at one time. It will give us helpful information as we compare our performance over time. However, I want students to understand that setting goals, persevering, and commitment to achieving their personal goals is what matters.

We are in the exciting school improvement and development program with the Fogarty EDvance Foundation. A lot of staff professional learning and development have occurred this term. On Thursday, 4 May 2023, seven staff members visited Warnbro Community High School to see some high-impact instruction practices happening in classrooms in the School and discuss with the leaders 'how' they have implemented high-impact instruction. Staff observed Classroom Daily Reviews, Explicit Direct Instruction, and Corrective Reading program. We are inspired by their journey as we research and develop our KSHS Whole School Instructional framework. I am very grateful to all staff who have been working hard, taking many internal relief classes from colleagues to provide the best learning opportunities for our students.

We are excited to welcome Ms Michelle Stone to the HASS and the Health and Physical Education departments at KSHS. We are excited to see the invaluable insights and expertise she will bring to our students and the community.

On a different note, I would like to say thank you and goodbye to Program Coordinator Ms Felicia Martelli, who has won a substantive position at Byford Secondary College. She will commence in Week 6 of this term, and the School is in the process of recruitment to fill the position.

The School will host the Surf Online Safe Cyber Safety workshop for our students and local primary schools on 13 June 2023. The Shire of Katanning Regional Emergency Accommodation Centre (KREAC), in collaboration with Katanning Police, has organised this workshop. Guest speaker Paul Litherland is regarded as one of Australia's leading Keynote speakers and was awarded the 2022 WA Australian of the Year. Parents are strongly encouraged to attend the presentation at Katanning Town Hall from 6 pm -7:30 pm to become better informed about our ever-changing digital world.

We thank everyone who responded to the recent "Tell Them From Me" parent and student survey. The feedback from these surveys, as well as the input of our School Board, Teaching, and Support staff, has helped to set the improvement agenda. We recognise that students have a right to feel safe and belong at School, and we continue to work hard alongside our students to provide a safe environment. We also take onboard issues around difficulties in communicating between parents and staff and focus on celebrating all the positive things occurring in our School.

Innocent Chikwama

Department of
Education

GOVERNMENT OF
WESTERN AUSTRALIA

Every student, every classroom, every day

STUDENT LEADERSHIP GROUP

Firstly, congratulations to the newly elected Year 7 Student Leaders for 2023, Emma Forman and Zac Boyle.

The beginning of Term 2 has been busy with planning and fundraising. A Mother's Day raffle was held to raise money for future student wellbeing activities. "Do It For Dolly Day" is a day dedicated to bringing the community together, spreading kindness and uniting in helping break the silence around bullying. Students and staff were encouraged to wear blue, Dolly's favourite colour and participate in kindness activities.

Dress Like a Pirate Day was a great success. The students worked hard to make and sell food to raise \$382 for The Kids' Cancer Project, with the funds going toward childhood brain cancer research. Thank you to Woolworths for donating the cooked chickens.

Upcoming events include free dress with a gold coin donation to raise money for the Lions Institute, "Anything But a School Bag Day" and a Hot Chocolate fundraiser.

WA SCHOOLS CUP NETBALL

The Annual WA Schools Cup Netball Tournament was contested in Albany during Week 2 of Term 2. In the competitions 20th year a record number of teams contested the cup across six age and gender based divisions. With the aid of significant community involvement, Katanning Senior High School entered five teams: lower, middle and upper school boys as well as lower and middle school girls.

Students were selected following trial events and participation in the 'Invasion/Evasion' context in Physical Education during Term 1. As this is an extracurricular excursion, all students participating were subject to good standing and attendance requirements.

Community members volunteered to assist in coaching, umpiring and coordinating the squad. Our sincere thanks to:

Volunteer Coordinator: Tania Edwards

Volunteer Coaches: Lower School Girls- Tegan Williams/Jayda Taylor
Middle School Girls - Bridgette O'Neill
Lower School Boys – Kathryn Anderson
Middle School Boys- Megan Irvine
Upper School Boys- Sumarie Gaudin

Volunteer Umpires: Lower School Girls- Kirsty Flugge
Middle School Girls - Jane Kowald
Lower School Boys – Annalise James
Middle School Boys- Kiara Taylor
Upper School Boys- Georgia Robinson

The costs to travel for events like the WA Schools Netball Cup is significant. A special thanks to the local businesses that made donations towards transport to keep the cost of participation low for our students;

Great Southern Rural
McIntosh & Sons

Burando Hill
PL Bolto & Co

We look forward to the 2024 Schools Cup event which is scheduled to be held in Katanning.

CAREER AND ENTERPRISE

Get the Job: Year 12s sit Mock Interviews

Year 12 Career and Enterprise students faced their fears this term by completing mock panel interviews. They studied up on a chosen career and then practised interview questions in pairs, and with the teacher, leading up to sit-down interview with three panel members. The school's Career Practitioner (Heather Van Den Rydt), Workplace Learning Co-ordinator (Sarah Smithies) and Katanning Rotary members (Peter Kerin and Adrian Edwards) all volunteered their time to assess students in the interview room. A big thank you to them all!

To make the situation realistic, students were asked to dress up in professional clothing for the activity. They also practised shaking hands, addressing panellists by name, and giving eye contact in the lead up to the interviews, preparing situation, action, outcome (SAO) examples for commonly asked interview questions.

Many students were quite nervous when their interview day came close, but all of them completed the task, with many doing better than they expected! Now they have a helpful experience to look back on when applying for a position in their chosen career.

BUSH RANGER CADETS

This term the Bush Rangers are practicing their navigation skills leading up to the State Rogaining Championships at the end of Week 7.

We have looked at maps of previous events to learn how to interpret contour lines, take bearings and plan a route. We went out to Police Pools to practice using compasses. While we were there we had a look for life in the water, finding lots of little fish.

Students are welcome to join Bush Rangers at any point in the year, although to attend the camps they need to have participated in at least four weekly sessions in that term.

Miss Sarah Watson

HASS

Year 7 HASS learned about Athenian ostracism. A vote was held as an example of direct democracy to vote out who was thought too powerful. Mr Russell was banished for 10 years!

CLONTARF

clontarf
foundation

We have had a busy start to Term 2 and will continue to be so and we're really looking forward to it up at Clontarf!

We wanted to start off by giving a shout out to and saying a big thanks to Woolworths and the local Police Officers. Woolworths have visited us twice so far this year for our morning trainings and donated fruit, we have had police officer Jeff Daniels come along to almost every session! We'd also like to say thanks to new officer Alex who has started coming along too. The boys appreciate it and enjoy the extra competition.

Upcoming for Term 2 we have our Senior School Employment Forum – the chance for our senior students to meet with potential employers and Clontarf partners and participate in some mock interviews. We also have a basketball carnival in Bunbury for our junior school students which will be a lot of fun! We have some more partner interactions too – Western Power are coming in to speak to the boys, the Local Police will visit and we're taking our Year 7s and 8s to Woolworths for a work site visit.

Scott Thompson

Clontarf Director

Morning training with Woolworths staff and police

Boys in their new shirts

WINNERS of the 2023 Payment Incentive Draw

Thank you to our families who supported the school by paying student fees in Term 1.
The draw was recently held and the lucky voucher winners families were;

- 1st prize - H. Woithe
- 2nd prize - K. Flugge
- 3rd prize - J. Collis
- 4th prize - T. Clifford
- 5th prize - J. Rangawhenua
- 6th prize - E. Penny

We sincerely thank our P&C Association for proudly supporting the prizes, KSHS and local businesses.

SCIENCE

In Term 2 we welcomed Mr D'Sylva and Ms Powell into the Year 9 learning space where they will be guiding the newly formed third Year 9 class on their Science/STEM journey. STEM is progressing at a great pace with all students and staff in the Year 7 and 8 cohorts moving into the Technology area by learning how to use Computer Assisted Design and producing designs that will be 3D printed.

Year 7 have engaged with our Science Skills program and are now moving into studying Biology. Year 8 are on a 'rocky' path by looking at Earth Sciences, Year 9 are producing creating musical instruments to explore the world of sound and Year 10 are exploring bonding and reacting in Chemistry.

Our upper school students in ATAR Human Biology and Chemistry and Integrated Science are all preparing for their Externally Set Task and ATAR Semester 1 Exams. We wish them every success.

Julie Brown
Science Teacher

MATHS

This term, the Year 7s Maths cohort investigated the conditions for two lines to be parallel and solve simple numerical problems using reasoning. The task was aimed at helping students construct, name, and apply various types of angles. Year 8s have been learning how to identify and calculate perimeter of some 2D shapes. They are exploring the relationship between radius, diameter and how both can be used to calculate the area and circumference of a circle. Year 9 students were given the task of using play dough. They made each of the most common 3D shapes such as rectangular and triangular prisms, cube, and cylinder while year 10s investigated Trigonometry, applying Pythagoras' theorem to solve problems in right angled triangles including angle of elevation and depression. The Year 11 and 12 students have continued to work extensively on different Maths topics in preparation for OLN and EST.

Our expectation throughout this year is to see students improve their numeracy skills using different teaching and learning strategies.

Evans Okan
Maths Teacher

STEM

The Telstra Tech for STEM Regional Scholarships is awarded to Year 10 students to assist them in furthering their STEM education in senior school courses and beyond. The criteria for selection was based on student's Semester II 2022 grades and their preference to pursue STEM courses in Year 11 and 12. Congratulations to:

Terehia Potaka-Osborne
 Harry Forman
 Lanii Brown
 Luke Oclarit
 Saul McGill
 Christian Moulden

Joseph Collis
 Dylan Livsey
 Lara Davies
 William Thompson
 Chayce McKenzie
 Zariah Farmer

ADMINISTRATION

IMPORTANT DATES Semester 1 2023

For up to date information please visit the School Website: www.katanningshs.wa.edu.au

	TERM 2 2023		TERM 2 2023
22 May - 2 June	Year 11 & 12 ATAR and SIDE exams	Dates to be confirmed	Year 9 & 10 End of Term Reward Year 11 & 12 End of Term Reward Year 7 & 8 End of Term Reward
5 June	WA Day Public Holiday		
9 June	Free Dress, gold coin donation for the Lion's Institute	30 June	Last day of term
Week 9 (date to be confirmed)	SLG Hot chocolate fundraiser "Anything But a School Bag Day"	17 July	TERM 3 Students commence school

Katanning Senior High School is pleased to announce an upgrade to our school communication services. Commencing Term 2, News, Events, Notices and general messages will now be sent using the School Star app.

Only parents and community members can access content in this secure app for iPhone and Android. We encourage all parents/carers to download the School Star app today.

2023 July Holiday ATAR Revision Courses Years 11 & 12

ACADEMIC TASK FORCE

Achieve Success at School

Enrol Today

Revise and Prepare for Exams

10-hour courses - 2 hrs a day for five days

Each 10-hour course provides thorough subject revision and exam question practise to give you the best possible preparation for Semester 2 exams.

With our ATAR revision courses, you will:

- ✓ Increase your confidence and maximise your performance
- ✓ Receive expert teaching from subject specialists
- ✓ Revise and enrich your understanding of course content
- ✓ Get top tips and strategies to boost your marks in your exams
- ✓ Receive a workbook and study notes to take home to support your exam revision

Study Skills: Learn how to study effectively and spend less time studying. Improve your time management, goal setting, reading strategies, exam and stress management techniques.

Essay Writing: Learn essay writing techniques to refine your writing skills for life. You will learn how to create excellent essays using a structure that can be adapted to any subject.

Career Conversations 2023

Bringing families together

Career information for families

As parents/carers, you are the greatest influencers of your children's career decision making. Together with schools we can prepare young people for the many opportunities and challenges ahead.

We all need to be having career conversations beginning much earlier than secondary school.

Armed with accurate, up-to-date information, families can explore together the full range of options and pathways open to young people.

Join the conversation about post school options at our free parent events in your local area. Come and hear about:

- exploring university and training pathways
- career pathway information for young people with disabilities
- where to find accurate, up-to-date career pathway information
- where the jobs are
- what employers and industry are looking for.

COMMUNITY NEWS

About FACE Kids
CHOIR CAMP July 11 - 14
 Ages 9 - 14

About FACE Kids is a choral day-camp situated in central Albany, where seventy-five children will explore their passion for singing.

Three professional vocal coaches will teach the children vocal techniques and inspire them to achieve great musical heights.

Children will learn how to follow a musical score while singing an exciting selection of songs in three-part harmony.

Afternoon games include Archery Tag, G.R.I.T activities and ZONK challenges.

The highlight of the camp will be an evening performance for the public by About FACE Youth and About FACE Kids.

For more information or to register for an audition, visit www.aboutfacechoir.com/aboutfacekids

Registrations Close 21 May
